

Wyoming Game and Fish Commission

Chapter 44

REGULATION FOR ISSUANCE OF LICENSES, PERMITS, STAMPS, TAGS, PREFERENCE POINTS AND COUPONS

Section 12. Commissioner Complimentary Licenses

- (a) Wyoming statutes provide that each appointed Commissioner may cause, through the issuance of license authorizations to nonprofit charitable organizations, to be issued at full price, complimentary antelope, deer, or elk licenses. ***Once the commissioner complimentary license authorization has been auctioned or otherwise bid to the highest bidder or raffled to members of the public by the nonprofit or charitable organization, the recipient of the license authorization may only transfer the license authorization to another person if no additional consideration above the bid or raffle price is paid by the transferee. The recipient of the license authorization may donate the license authorization back to the nonprofit or charitable organization that originally bid the license authorization to be rebid to a new highest bidder.*** The Department shall issue the license in the name of the person who submits the authorization for license issuance. All big game licenses authorized under this section are valid for a specific region or hunt area as designated by the applicant at the time of application. The specific region, or hunt area, or type shall not be changed following the issuance of the license by the Department. Holders of Commissioner Complimentary licenses shall be exempt from the provisions in the Chapter limiting the number of licenses an individual can possess in any one (1) calendar year. However, State statute dictates that a hunter shall be restricted to take a maximum of two (2) elk in a season under all licenses held. As a condition to issuance of a Commissioner Complimentary license, the Department shall require an authorized officer of the recipient organization to certify under penalty of law that the respective organization is a nonprofit, charitable organization and eligible to receive the Commissioner Complimentary license authorization.
